

Retreat Prayer Prompts

- God would lead us in all aspects of the retreat; His will not ours;
- that the Holy Spirit would flow freely and hearts would be open to His leading - both speaker and all present;
- for the committee and their planning for the retreat
- for the speaker and her preparation, for travel arrangements
- that the ladies who the Holy Spirit moves to join us will be able to easily make all family arrangements and have the necessary funds
- all the presenters and all attendees- especially for first timers
- that the “regulars” would see this time a renewed opportunity to retreat with God and not just time with friends;
- Pray that it would be deeply spiritual time, relaxing and fun
- that the women would bond quickly and easily; that relationships in the body and with God would grow;
- gift of salvation would be received by those You Lord have in mind for that weekend
- Deeper relationship with You God, that they would all walk away with the one-thing You would have them apply to their lives; that they would not be overwhelmed with information; that they would be doers and not just hearers
- Traveling mercies, hotel accommodations, staff
- Weather according to Your will oh God;
- Protection for the women- mind, hearts, bodies, souls
- Health and safety for all present; protection from evil
- We trust that all organizational details are in Your hands
- Lift up the worship team; entertainment committee, prayer team, logistics
- Roommates have a special time of bonding
- Ease with small group leaders; individuals would develop and grow long term relationships
- Mentorships would develop according to Your will
- For the families while moms are away; this time would be a blessing to them;
- For the smooth transition back into families on Sunday and days following
- Over following days and week that the Holy Spirit would bring to mind what they had learned; strength and support to apply truths to their lives
